PUREDESIRE

Packard Bell's new EasyNote LJ: *High-end notebook for the most demanding users*

- 17.3-inch LED display
- 16:9 widescreen format for the best film-viewing experience
- Perfect for your living room
- Dual hard drives and full HD output
- Outstanding performer

The most high-end among the brand new EasyNote NJ, EasyNote TJ and EasyNote LJ Series, Packard Bell's **EasyNote LJ Series** is the perfect movie buff's companion with an amazing 17.3" LED widescreen display and 16:9 ratio. Created for the most demanding users, it is also ideal for replacing the living room PC thanks to its screen size, allowing both a comfortable film-viewing experience and easy navigation on different applications and programs, for which a wide screen is needed.

With its elegant moonstone-coloured cover characterized by a distinctive honeycomb pattern and a chic matt black interior, Packard Bell's **EasyNote LJ Series** is bringing a stylish touch to any room.

Extra smart red touch-capacitive hot keys, on top of the keyboard, are smart features that simplify everyday use of these notebooks. At your fingertips, they allow you to manage power (PowerSafe Key)¹, backup (My BackUp Key) and to lock the touchpad (Touchpad lock key) with easy accessibility.

The 17.3- inch LED widescreen format grants great performance, achieve full brightness and radiate very little heat for more efficiency. With the addition of an optional Blu-ray drive, standard HDMI output and the NVIDIA® GeForce GT 130M with 1GB dedicated video memory², the **EasyNote LJ Series** is an outstanding performer in its category.

For a stunning personal surround sound listening experience from any pair of speakers or any set of headphones, the **EasyNote LJ Series** comes with Dolby® Sound Room®: ideal to watch movies or to play games.

The **EasyNote LJ Series** notebooks also support dual hard drives for maximum storage flexibility, up to 1 TB (2x500MB).

¹ Only on Intel based models

² On certain models only

Collection of software

Software is what makes a notebook fun and interesting, from productivity to education, games to the Internet and digital photos to entertainment. The **EasyNote LJ** Series are natural entertainers, with a wide range of top-shelf titles from the leading names in software.

The Packard Bell software offer includes Norton Internet Security™, Adobe® Photoshop® Elements 6 full version, Nero 8 Essentials, Microsoft® Works 9. It also comes with a collection of online software and services from Metaboli to download E-Bay's™ best in class games.

Availability, price and technical features will vary according to country. Software may also vary according to country and configuration. The **EasyNote LJ** is available now with an estimated street price starting from 599€.

About Packard Bell

Packard Bell pioneered the use of the PC in the home, taking an unfriendly but useful office tool and turning it into a friendly, indispensable feature of today's modern home. Stylish design, affordability and customer-oriented features are the hallmarks of all Packard Bell products, a unique combination that no other brand in the European market offers today. In 2008, Packard Bell was acquired by Taiwan-based Acer Inc. and the combined entities now comprise the third-largest PC company in the world.
